“Trust Me wholeheartedly, letting My Spirit fill you with Joy and Peace.” – Jesus Calling 8/21

Welcome! We are pleased to announce that our enrollment is at 612 students this year, with 75 students in full day kindergarten and first grade being our largest class at 80! Welcome back to our returning families, and welcome to the 35 new kindergarten families and 29 new families of first through eighth graders.

School Success depends on your support and guidance. Please get your children here every day and on time, provide them with the supplies they need and a place to study, and monitor their homework. We want you to be involved with your child’s education, so please let us know of any questions or concerns you have. I hope we all have a fantastic 2014-15 school year!

Get Those Forms In! – You should have received a beginning of the year envelope with important papers at Open House or yesterday, the first day of school. These were sent home with the youngest in the family. Please return the forms that need to be completed, and be sure to read all the information. We need the 5th through 8th grade chrome passwords so they can use the chromebooks.

Auto Debit Forms – Did you turn yours in for this year? There are about 10% of our families who have not made a tuition payment yet this year. Payments began in July, so please turn the form in and send in a check for two months payment. Forms are available on our website and were due in the school office by July 1. A new form must be completed each year with the new tuition [rate](#).

Yearbooks – There are a limited number of yearbooks available from the 2013-14 school year. If you forgot to order a book and would like one, please send a check to the school office made out to SPX School. Softcover books are \$20 and hardcover are \$25. First come, first served!

Each grade level team will present their material twice, twenty minutes each, for those who need to go to more than one grade level. We will direct you to each grade level's meeting space when you arrive. Please be prompt as the sessions will begin at 7 and 7:30 pm. Orientation for grades 5 – 8 is scheduled for Sept. 3 at 6:30 pm.
