Principally Speaking

As our second week of school begins, I am convinced of the need to incorporate our theme of sharing our gifts, and more importantly our September gift, the gift of time into our daily lives. As I visit classrooms I see the difference teachers and staff make in the lives of our students as they work with them, talk with them, and play with them on the playground. Students are smiling and happy to come to school each day. The time and attention given to them helps them to feel the love and goodness of God. So, take time this week to be with God, take time to be with one another, and take time to acknowledge and to be grateful for the many gifts you have been given to share.

Peace in Christ,

Mrs. Jill Lonnemann

Counselor's Corner:

Dear Ms. Rauen,

My child really enjoyed their summer break and is having a hard time transitioning back into the school routine. Is there anything I can do to help them come back to school?

Sincerely,

Missing Summer Break

Dear Missing Summer Break,

Let your child know they are not alone. A lot of students have a hard time returning back to school after summer break (some teachers too!) Here are a few tips to try to ease the back to school anxiety and fear:

- **Check your feelings at the door.** If you are nervous about your child returning to school, they will feel it too.
- **Make your goodbyes quick.** Long goodbyes can prolong your child's fear and anxiety about going to school. A quick hug, kiss and "have a good day" is all they need.
- **Be careful about saying "I'll miss you."** While you think this may be helping your child feel loved while they're away, you may in fact be causing your child to feel worried about you. Instead try something like "I can't wait to hear about your day later" or "I'll see you at dinner time".
- **Write your child an encouraging note.** Packing a short note in your child's lunchbox or backpack can give them a nice surprise to look forward to.
- **Avoid walking your child in after the first week.** Your child needs to know they can do it on their own.

CAFETERIA NEWS:

School lunch prices have increased to \$2.75 per lunch. Milk will cost \$0.50.

Students will be allowed to charge up to \$15.00. After that students will be served a cheese sandwich and milk until payment is made. This is a diocesan-wide policy and is aligned with the federal lunch program criteria.

Please sign-up for k12.payment.com on our school's website.

ALLERGY ALERT:

Please fill out all necessary paperwork regarding allergies sent home in the first day packet of information. Parents need to send epi-pens to school in a plastic pencil box with student's picture, name, and grade on the top of the box. Epi-pens are stored in the school office and teachers' lounge. Please consult the Safe Foods list provided on the school and individual teacher websites for safe treats to send into school for birthdays,

St. Pius School Fundraiser "Bags for Bucks"

As you know, "**BAGS for BUCKS**" started in our school this week on Tuesday, September 1st! Similar to last year, our students are selling high quality colored trash bags and food storage bags - something every family and business needs!

This year, Mrs. Lonnemann and Mrs. Greenwell plan on using the money raised by this fundraiser for **FIELD TRIPS**, so we hope you can help make this happen for our students this year.

A website has been created so that orders can be placed **ONLINE** this year. We hope this will allow the fundraiser to be widely shared and supported. The website www.spxbags4bucks.com is ready and open for business with information on all the products for sale. Please consider sharing the website with your out of town relatives and friends of Saint Pius. Please also keep in mind that if for some reason your family does not need garbage bags or food storage bags, a cash donation can be made via check made out to St. Pius PTG or via the website under "Donate". This insures 100% of your donation will go toward field trips for our students! **PLEASE** make sure when turning in paper orders to school that all orders forms are **COMPLETELY** filled out and all money totals have been double checked. This will insure things go as smoothly as possible for volunteers. Deadline for paper orders and online orders is Tuesday Sept. 15th.

If you are able to help with counting orders after school on September 18th, or with sorting them once they arrive at St. Pius in early October, please contact Kathy Laws at kathylaws@yahoo.com. We sincerely hope all our families and businesses of St. Pius will support this fundraiser in some way...sharing the gift of either time or treasure. Any questions about the fundraiser can be directed to Chairperson Angie Clifton at info@spxbags4bucks.com!

Thank you in advance for your help so we can reach our goal!
