## Principally Speaking

As October gets underway, students are extremely busy learning. As I start formal observations of teachers, I am impressed with the multiple intelligences and differentiated instructional strategies that are being used to help all students be successful. Students are truly blessed to be challenged each day to reach their full spiritual, academic, and personal potential.

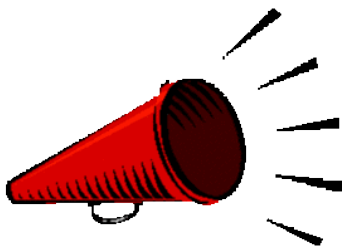

On Tuesday, October 13, progress reports will be sent home with our kindergarten through fourth grade students. We have changed the format to include more pertinent information and a more complete view of students at this time. Please remember that this progress report is informational and if you have any concerns, please email your child's teacher to set up a meeting.

Also, remember to discuss the gift of life with your child. Try to show them that their life is a gift to you. I look forward to the many life-giving activities that are planned for the upcoming week. Tonight, we will have a Reconciliation retreat for second grade students and parents. Over the weekend, our eighth grade students will attend Youth 2000, followed by participating in a SEEK retreat next week. Students and parents will also participate in our Blue Ribbon Celebration on Friday, October 9. What a blessing this life is!

Please know that my life has been blessed by having all of you in it. Your children are truly life-giving and treasures to me!

Peace in Christ,

Mrs. Jill Lonneman

Congratulations to St. Pius X School on being awarded the National Blue Ribbon of Excellence for the second time! Please join us Friday morning in the gym following 8:00 a.m. Mass to celebrate this great honor!

#### Healthy Tip of the Week:

Cook more meals at home. Eating home cooked meals is healthier for the whole family and sets a great example for kids about the importance of food. Restaurant meals tend to have more fat, sugar and salt. Save dining out for special occasions!

## Counselor's Corner:

Dear Ms. Rauen,

My friend told me that there are many different types of bullying. I always thought it was just saying mean things or hitting someone at school. Could you please tell me more about the types of bullying?

Sincerely,

Troubled by Types

Dear Troubled by Types,

Bullying is much more than just saying mean things or hitting someone. It also can happen just about anywhere, not just at school. Typically, most forms of bullying can follow into one of three categories. The three types of bullying are:

- **Verbal bullying.** Verbal bullying is saying or writing mean things to another person. Examples of this include teasing, name-calling, taunting, and threatening to cause someone harm.
- **Social bullying.** This kind of bullying can also be called relational bullying. It involves hurting someone's reputation or their relationships with others. Examples of this include leaving someone out on purpose, telling other children not to be friends with someone, spreading rumors about someone, and embarrassing someone in public.
- **Physical bullying.** Physical bullying isn't just about hurting someone's body. It can also be hurting someone's possessions. Examples of this include hitting, kicking, pinching, spitting, tripping, pushing, taking or breaking someone's things, and making mean or rude hand gestures.

Have a question for the counselor?? Email me at [nrauen@teachers.stpiusx.com](mailto:nrauen@teachers.stpiusx.com).

Don't forget! Posters for the bully prevention/fairness contest are due to Ms. Rauen by Thursday 10/15.

## What's New in the Classroom?

### Grades K-4

Kids on the Block came to speak to the students about child abuse. They discussed this topic with the children through the use of puppets. The students learned a lot & really enjoyed the show!

### First Grade

First Grade visited Benton Farms for a fun fall field trip! We enjoyed a hayride out to the pumpkin patch where the students got to pick a pumpkin to take home. Students even listened to Farmer Stan tell about beekeeping and how his bees make honey. Then the students met Farmer Mary and her many farm animals including cows, goats, sheep, llamas, alpacas, and a big pig! We had a fantastic day learning about farm life!

### 2<sup>nd</sup> Grade

The 2nd graders spent some time learning about the author Laura Numeroff. Gavin Bain brought in a cool collection of her stories with fun recipes to go along with it. After reading, If You Give a Pig Pancakes, we followed the recipe for ice cream pancakes and enjoyed making them together! They are also learning about habitats. They conducted a blubber experiment to learn how animals stay warm in the arctic!

Thank You!

Thank you to all who supported St. Pius X School's fundraiser Bags for Bucks! Some field trips for our students have already occurred, others are scheduled, and it could not have happened without your generosity!

ORDER PICK UP will take place SUNDAY, OCTOBER 18<sup>th</sup> after ALL SUNDAY MASSES.

Volunteers will be at the garage next to the PAC from 8 am until 1 pm on October 18<sup>th</sup> to distribute orders. Orders will have been pre-sorted by family name, so we hope for a quick pick up. If for some reason you will be unable to pick up your order on this day, please make sure a friend, family member, or neighbor picks up your bags so we can insure all orders are delivered. **Orders will not be sent home through students so please make sure someone is available this day from 8 am - 1 pm.** Thanks!

We thank you again for helping to support our school!

Kathy Laws PTG and Angie Clifton  
Chairperson

## Private Transportation

Our first Private Transportation days are October 9<sup>th</sup> and 12<sup>th</sup>. We wanted to send out the information now, so that you have time to make sure your child (or children) knows what to do! Each of the three homeroom teachers will be responsible for taking and watching your child in one of the three designated dismissal areas (front lot, back lot and Rectory). For example, Mrs. Jenny Lonneman will take all 3<sup>rd</sup> graders going to the Rectory, Miss Ramey will take all the 3<sup>rd</sup> graders going to the front lot and Mrs. Schulte will take all 3<sup>rd</sup> graders going to the back lot. When dismissal begins, there will be teachers directing traffic lines. Please make sure to stay in your car and a teacher will ask for your name and bring your child (or children) to you.

Front lot: All car riders and bus numbers 81, 40, 90

Back lot: CCH 2 & 3, 85, 50, 132

Rectory: 11, 58, 61, 127

If there is a change to your child's dismissal location, please email your child's homeroom teacher.

Thank you so much for your patience and support making Private Transportation run smoothly and safely!

## PTG Father Daughter Dance

On September 26, Milligan Hall was lit up with one of the best dance parties this side of the river! Dads, uncles and family friends threw their hands up in the air and danced, enjoyed an ice cream sundae bar provided by Dinsmore & Shohl, and took their turn in the photo booth provided by 1326 Studios.
