Principally Speaking

Dear Parents,

This morning I attended the Academic Awards Ceremony at Covington Catholic High School. What a wonderful experience it was to see St. Pius X School graduates receive so many awards. I congratulate you on a job well done. My commitment to you continues to be to help all St. Pius X students achieve their full spiritual, academic, and personal potential. By working together, we positively impact the future. As I interact with your children, I feel very optimistic about their formation and our future leaders! Thank you for entrusting your children to our care each day and for allowing us to share a small portion of their faith journey!

Mrs. Jill Lonnemann
Principal
St. Pius X School

Parent Teacher Conferences will be held on Monday, November 23rd, from 2:30-8:30. Visit the St. Pius X website or click [here](#) to sign up.

Counselor's Corner:

Dear Ms. Rauen,

I heard that next week is Red Ribbon Week and I was wondering if you could tell me more about it. I know we celebrate it every year but I don't really know why. Could you please help and give me some information about it?

Sincerely,
Ready for Red Ribbons

Dear Ready for Red Ribbons,

Red Ribbon Week is a very important week that is celebrated nationwide. It was started when DEA agent Kiki Camarena was killed by drug traffickers in 1985. His family, friends and neighbors began to wear red badges of satin to honor his memory and his battle against illegal drugs. Other communities, who were also concerned about the destruction that drugs and alcohol can do, began forming organizations that used Camarena as their model because of his belief that one person can make a difference. In 1988, the National Family Partnership sponsored the first National Red Ribbon Celebration and used the red ribbon as a symbol of intolerance towards the use of drugs. Since then, Red Ribbon Week has reached millions of children and families across the U.S. in order to educate and encourage participation in drug prevention activities. We celebrate Red Ribbon Week here at St. Pius X and this year our theme is "Respect Yourself. Be Drug Free!" **We will kick off our celebration on Monday by wearing red shirts with our uniforms!** Also, make sure you listen to announcements each week for a chance to win a prize while learning ways you can be drug and alcohol free!

Have a question for the counselor?? Email me at nrauen@teachers.stpiusx.com.

Healthy Tip of the Week:

Warming up before you exercise is important any time, but especially in cooler weather. Cold temperatures can make your muscles tight and more prone to injuries.

Sixth Grade

The 6th grade is hard at work authoring their own short fictional stories. After a few days of planning and drafting, students are reading each other's drafts and giving constructive feedback and comments to their peers. They will be ready to publish final drafts by the end of the week!

Seventh Grade

October 14 was proclaimed as *Outsiders Day* in seventh grade. The students took on the role of a Greaser or a Soc and dressed the part, having read *The Outsiders* by S.E. Hinton. During *Outsiders Day*, the students had first-hand experience with unfair treatment when the Socs were given all the advantages during the relay races. Afterward, seventh graders realized that even though differences in social status and appearances can separate young people, it is possible to set aside those differences and collaborate as a team.

In Science class, students are watching video clips about plants and fungi to better understand the similarities and differences between the types. Seventh grade students will soon create online posters to review animals, plants, and fungi.

Math studies are preparing seventh graders to become alert consumers. In learning ratio, rates, and proportion, students are well-equipped to determine miles per hour in an automobile, dollars per hour earned as a wage earner, and unit rates as applied at the grocery store.

Eighth Grade

As students prepare to receive the Sacrament of Confirmation, they must ask themselves what will be their part of the Mission. Where is God calling them to be the hands of Christ? To help them answer these questions, our eighth graders have been attending SEEK Retreats. SEEK Retreats (formerly Insights Retreats) have been a part of St. Pius X Confirmation Preparation for many years. We spend the day in Covington learning about the causes and effects of homelessness and the agencies that are in place to help. Then students brainstorm how they can help - literally becoming the hands of Jesus in our world.

Soon you will see their projects come to fruition. Please be generous as we support our eighth graders and their efforts to make a difference

Mother/Son NKU Basketball Night

Hey Moms! Have a night out with your best little guys(s) and join us at the NKU vs. Morehead State basketball game on **November 21st** at 7 pm. Enjoy the game in a reserved section just for St. Pius X students and their moms. A private party room with complimentary (and endless) popcorn and desserts will be available as well. NKU let us know that they would like some St. Pius X boys to be ball boys for the evening too, so we'll draw names from those tickets holders the week before the game. Since we'll all be together, why not let the whole arena know we're there? Order a t-shirt to wear to the game and show your Panther Pride. **T-shirts are available to anyone and everyone - not just those attending the game** - and will be sent home from school the Friday before the game. But get that order in quick, as we must place the order by November 6th. Purchase your tickets and t-shirts here:

Pumpkin Walk

Student Council is once again supporting Cross Catholic Outreach and World Food Day. CCO is a great faith organization whose mission is to feed the hungriest of the hungry. Last year we raffled off pumpkins decorated by each hometown. This year, we are hoping for more active participation from our students and their families. We would like families to carve a pumpkin and send the jack o lantern to St.

Pius with a candle or other light source on Friday morning, October 30. Student Council members will organize the Jack o lantern along a path. We invite all school, parish, and community members to come and look at all the carved creations along the Pumpkin Walk. This will take place from 8-9:30pm on Friday, October 30.

Donations will be accepted during this event for World Food Day. There is a family prize to the best Jack o lantern, judged by student council. If you are unable to come, please use the envelope coming home in the next Tuesday folder to make your free will donation. All carved pumpkins can be taken or picked up after the event on Oct. 30 to use on Halloween. We are hoping to have warm beverages available for purchase that night with all proceeds going to CCO and World Food Day! The winner will be announced at school on Monday, Nov. 2.

Any questions, please email Cecilia Baker, cbaker@teachers.stpiusx.com.

Dear Parents of Fifth Graders,

SAVE THE DATE!

D.A.R.E. Graduation is **November 5th** at 12:30 in Milligan Hall

Our fifth grade students have been participating in the D.A.R.E. program presented by Edgewood Police Officer Terry Chinn. It is a program designed to empower students to make safe choices, particularly in the areas of drug and alcohol use as well as to promote an anti bullying message. The program concludes with a presentation hosted by Officer Chinn on Thursday, Nov. 5th at 12:30 in Milligan Hall. During the presentation several students will read essays and Office Chinn will present each student with a D.A.R.E Graduation certificate. All parents are invited to attend the presentation. We ask that all parents attending be in Milligan Hall by 12:30. Please come and join us in this celebration of educating students to make the right choices!

See you on November 5th!

Mrs. Bradhold, Mrs. Mueller, and Mrs. Wurzbacher

Students underwent health screening on Thursday, Oct. 22.

Students in grades K through 3 underwent hearing screening.

Students in grades 1, 3, 5, and 7 underwent vision screening.

If your child had difficulty with the vision and/or hearing screening, a letter was sent home with your child (in a sealed envelope.) Please keep in mind that these are hearing/vision screens, not definitive tests. It is recommended that children who experienced difficulty consult his/her primary care physician for further evaluation. If you have questions, please contact Holly Danneman at hqdm6@gmail.com

Box Tops for Education

Thanks to all who sent in Box Tops! We had a pretty healthy turn-in day last week. Tomorrow, Friday, October 23, is the second and final turn-in date. The class sending in the most Box Tops will win 30 minutes extra recess and an out of uniform day! Don't forget to send them in and remember to have your child put his/her classroom number or teacher's name on the Box Tops sheet/bag. Ask friends and family to collect and share Box Tops with our school. Questions? Contact Amy Fuller at dotessgirl@aol.com

Dear Fantastic Families,

Hello! We are THRILLED that you are interested in St. Pius X Lego Club. We are very excited about this club and we are ready to start having a blast! There are a few things that we need to let you know in order to have a successful year building and creating with Legos, as we have some **changes** from last year.

1. Due to the large amount of students interested in Lego Club we will need Parent Volunteers that are willing to work with the same small group every meeting. You must be Virtus trained and email Miss King at aking@teachers.stpiusx.com if you are interested by 10/21.
2. Lego club will meet on the following dates (listed below) in 101 (Miss E) and 102 (Miss King). We will be breaking up the students into smaller groups based on grade level.
3. Please return the permission slip (Please follow this link to print the permission slip http://www.stpiusx.com/school/files/After_school_permission_slip.pdf) to your child's homeroom teacher (and she will have your child bring it to Lego Club). There is a \$5 fee, please send in cash only.
4. Lego club will meet at 2:00pm and be dismissed at 3:00pm. We will be waiting promptly at the front of the school at 3:00. (Parents, please make sure to be on time)!
5. For safety reasons, we will have students wait in the glass double doors until they see their ride.
6. We will be using themes to create with our Legos. Each theme will be judged and the winners' will be presented their certificates on Morning Announcements.
(Totally awesome)!
7. Please bring your OWN Lego baseplate for building (see description of baseplate below).
8. Please bring your OWN snack (**no peanut or tree nut products please due to allergies**).
9. If your child does have an allergy, please write it down on the permission slip.
10. Please make sure to be respectful to the teachers and students and follow all school expectations.
11. You will be expected to cooperate with the other students to finish the project.
12. Lastly, in order to replace old Lego pieces we are asking for a \$5 fee this year! Please have this labeled in an envelope with Miss King Lego Club.

The **dates and themes** for Lego Club are: (We will meet on Wednesdays).

10/28, 11/11-Ships	2/10, 2-24-Castles
12/2, 12/16-Cars	3/2, 3/9- Neighborhood
1/13, 1/27-Homes	4/20, 5/4- Bridges
5/18 Lego Movie and Celebration	
Miss King & Miss E	

Lego Baseplate: This hard surface may be a piece of wood, or a hard cardboard. We just want to ensure that their creations will be able to be saved and moved from one week to the next without buckling from the weight of the Legos. We suggest a 12x12 baseplate, but if you have a larger one from last year, you may use that size again. Please write your child's name on the back of the baseplate in permanent marker.

Discipline for Life

The mission of St. Pius X School is to promote the spiritual, academic, and personal growth of each child by embracing the Gospel values of Jesus Christ. St. Pius X School provides an exemplary Catholic education that helps students to be successful in their families, their communities, and the world.
