Principally Speaking

Dear Parents,

Have you ever had one of those moments that stop you in your tracks? Have you ever experienced a moment when you felt God was directly speaking to you? I experienced one of those moments this week and wanted to share it with you. I received an email with the following quote inserted at the bottom of the correspondence, *"Each day, when we wake up, we have 24 brand new hours to live....what an incredible gift."*

This quote made me think about the precious gift of life and how each day is a new beginning. God in His infinite goodness knows each of our limitations and challenges. He knew that we would all need second chances. What a beautiful gift each new day is. I challenge you, as well as I challenge myself, to begin each day with a prayer of thanksgiving. I challenge you to take the gift of 24 new hours to show mercy and forgiveness to others, to try to view others in the most positive light possible, and to love to the fullest. Just think of the impact we could have on our world if each of us resolved to do this each day!

Yours in Christ,
Mrs. Jill Lonnemann

What's New in the Classroom?

Kindergarten

Kindergarten did a research project about Insects. Each child was responsible for researching, presenting and making a model or picture of an insect!

First Grade

First grade participated in a service project to help The Brighton Center. Over the Christmas season the students completed chores and kind deeds to raise money. These donations were used to purchase fleece. Then the first grade students gathered to tie knots in the fleece to create blankets. As the students tied knots, they said prayers for the recipients of the blankets. First grade was able to donate 22 prayer blankets and over \$300 in donations to Brighton Center! Way to go first grade, putting your faith in action!

Second Grade

2nd Grade loves reading! They recently enjoyed some time buddy reading their weekly stories in their Journeys books! They also read Dr. Seuss' "Green Eggs and Ham" to celebrate Dr. Seuss' birthday on March 2nd! They then enjoyed some yummy green eggs and ham. When they finished, they wrote about what they would eat if they wouldn't eat green eggs and ham!

Family Literacy Series

St. Pius X invites you to our Family Literacy Series. Our second event, on April 21st from 6:30-7:30 pm in the Parish Meeting Rooms, is called Family Game Night. This evening is targeted towards our K-3 students. It will be a fun filled night of games for your children and an opportunity for you to learn about how you can make phonemic awareness, phonics and fluency practice fun at home. These are the building blocks of becoming a strong reader and sometimes it can be hard to find ways to engage your children in this needed practice. We will have plenty of games that you can easily recreate in your home with common materials. We also will have one game that your family can take home and start playing right away! Come share your love of learning with your children and show them that reading can be fun for the whole family! Please RSVP by April 14th to Mrs. Allie Lampe, alampe@teachers.stpius.com.
