## 9/17/26

### Opening Prayer-Prayer to Saint Pius X

Introductions

#### **Need to vote on four policies this year:**

- school fees
- pregnancy policy
- substance abuse policy
- anti-bullying/harrassment

#### **Flocknote**

- up and running, going smoothly
- are there any committees that need help using flocknote?
- Adam Williams can assist people who are having issues
- we probably need another training session for committee heads
- a lot of information should be put out to everyone (ex: St Vincent de Paul weekend pick up)
- pre set event dates and Adam can send emails out on a regular basis

#### **Parish website and Facebook needs updating**

- we will really need to keep updates on where and when mass will be held when parish renovations begin
- should we hire a company to update the website?

#### **Huge disconnect in communication in the parish office is a big concern moving forward with mass renovations**

- should we hire a communication manager in the parish office?
- we are missing so many groups of people that could be serviced by the parish
- we need to put together a proposal of pitfalls and solution
- parishioners that do not have children or grandchildren at the school are very out of the loop

Can we task each committee to find a person to communicate more effectively?

#### **Next steps?**

Look up other large parishes and see if they have a communications director, updated facebook pages

**Homework: before next meeting check out Visitation, Ignatius, St. Mary's, St. Tim's, St Joe Crescent Springs, St Joe Cold Spring (give them a grade 1-5 and we will compare them)**

- Can you find things easily on the website?
- Why is it important to communicate effectively?
- Should we go to the ministry fair and help people sign up on flocknote? October 18th

Next meeting November 5th at 6:30pm
