

After School Program

After-school care at St. Pius X is provided by [Learning Grove](#).

Learning Grove understands the needs of working parents and families. Parents can be reassured that their children are in a safe, enriching environment during the time that they are in our care.

Learning Grove has been providing quality school age childcare in local schools for more than 30 years through character development programs, service learning projects, reading and homework times. The time that the children spend with us is not only fun filled, but also enriching. Our staff are specially trained and provide a caring environment for your children.

The After-School program begins at school dismissal and ends at 6:00pm. Registration forms are available on-line.

Questions? Please contact the Learning Grove office at 859-431-2075, or visit: <https://www.learning-grove.org/before-after-school-care/>
