Hello Future 2nd Graders and Parents,

Welcome to 2nd Grade! We are sure everyone is ready for some summer fun, just like us! The 2nd grade teachers believe that even though summer is for fun, we don't want the children to lose the skills they worked so hard to gain this school year. To help the students continue to grow in their reading abilities, we are asking that they make sure they read everyday over the summer. The books they read may be of their free choice. Besides silent reading, your child may also enjoy shared reading with a parent, buddy reading, or parent read aloud and discussion. There are also several summer reading programs through the library and various book stores that will make reading more enjoyable this summer. As a final project, each student will choose one book that they read this summer to complete the enclosed book report! **Please bring this book report to school on the first day of 2nd grade!**

Second grade is an exciting year and we are super excited to start this journey with you and your child. We hope you have a wonderful summer and enjoy your summer reading! We will see everyone in August, ready for a fun-filled year of learning. Don't forget to practice those addition and subtraction facts!!

Have a great summer,

St. Pius X 2nd grade teachers
