

Dear Third Graders,

We hope you are enjoying your summer so far. Attached to this letter, you will find a book report form that we would like you to fill out. Please choose a book from the following list:

1. Magic Tree House: Dinosaurs Before Dark
2. The Littles: Book 1
3. Calendar Mysteries: July Jitters
4. Ready Freddy : Tooth Trouble

Please be sure to write in complete sentences and use proper punctuation where appropriate when filling out the report. If you need to, you may use a second sheet. In addition to the form, please include a picture of the book's setting on a separate sheet of paper. Make sure it takes up most of the page, it is neatly drawn, and colored. You may be as creative as you want. Remember that this is the first piece of work you will be turning in as third graders, so be sure to do your best. :)

During the summer we would also like you to keep up with your math facts (addition and subtraction), cursive, and reading 15 minutes a day.

Get excited for third grade!
